No. 1 sales achievement in South China
ISO9001 ISO14001
2012-13

2014-15

Top 10 vender in global market. Launch a new production base.

ABOUT AVG

SINCE 1982

All Victory Global Co., Ltd., formerly known as Parks Recreation Manufacturer (China) Co., Ltd., began operations in 1982, the first joint venture enterprise of artificial grass and pioneer of artificial turf in China.

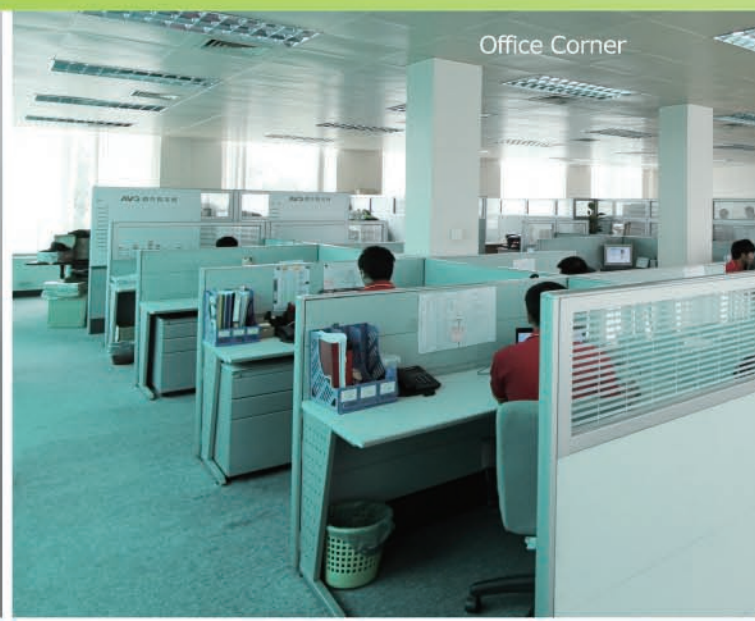

All Victory Grass(Guangzhou) Co., Ltd, wholly owned by All Victory Global Co., Ltd, is a Hong Kong enterprise registered in 2001 with total investment 300 million RMB and area of 2 factories sites 70,000 square meters. Our company, located in the famous Guangzhou Economic Development Zone, is a manufacturing enterprise engaged in research, development, manufacture and marketing of artificial grass and leisure systems, while offering comprehensive after-sales service on all products.

We take product quality and safety of primary importance, while Research and Development is the corner stone of our business. We constantly strive to improve processes and quality of specialized products to meet growing customer demand.

In 2010, our sports grass passed the strictest tests performed by France LABOSPORT. All indicators have reached the highest FIFA award criteria. Additionally, our artificial grass is verified to be free of any heavy metals by SGS. Six of our products have obtained national patent certification. In China, we are the only artificial turf supplier to three international events: the 2008 Olympic Games, the 2010 Asian Games and the 2011 Universiade.

Our products are exported to all of the world, including South and North America, Europe, the Middle East, Africa, Oceania and Asia. AVGRASS is used in more than 100,000 professional sports courts and outdoor recreation venues, such as The Hong Kong Polytechnic University, Hong Kong Causeway Bay Sports Center, Sun Yat-Sen University, Mission Hills Golf, Shenzhen Foxconn Group, Japan Kobe University as well as Indonesia's National Stadium.

Based on the foundation of strong production and backed up by technology support together with a worldwide sales network as well as an outstanding service system, which developed through 33 years of committed effort, All Victory Grass (Guangzhou) Co., Ltd keeps dedicating to serving domestic and foreign customers with the highest quality artificial turf to support their leisure activities.

CONSTRUCTION PROCESS

AVG Installation System

Line Cutter

Line Cutter for cutting of variable width of straight lines and lines in artificial lawn

Circle Cutter

Tool for circular cutting in artificial lawn

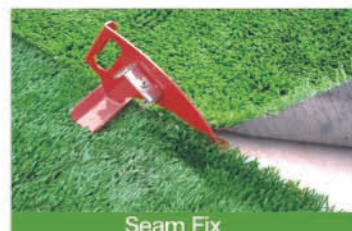

Turf Fix

Turf clutch for fix the joints of artificial grass strips while glueing

Turf Grip

Gripping tongs for a fast and easy alignment of artificial grass strips

Seam Fix

Press grass and joint tape tight on seaming places

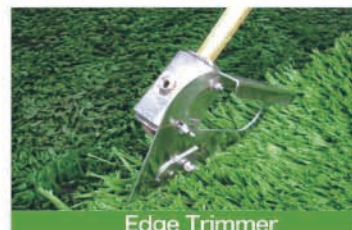

Brush Machine

To brush up the grass fibers and to divide the infill equally over the playing field, this for improved appearance and performance

Grass Cutter

Proper cutting alongside of existing track seams of artificial lawn

Edge Trimmer

For trimming of artificial grass strips

Rubber/Sand infill machine

For filling sand and rubber granule into the artificial grass more evenly

Accessories Suggestion

Pile Height (mm)	Gauge (inch)	Sand Size (mesh)	Sand	Rubber Granule	Height of infill (mm)
			Dosage kg/m²
